

Bridgewater Marina is Smith Mountain Lake's largest boat rental operation. Our motto is "Where land ends and adventure begins". Bridgewater Marina has everything you need to make your day on the water a memorable experience. We have a variety of watercraft and water toy rentals to suit you needs. Advance reservations are recommended for rentals planned for more than 8 hours. However, walk-ins are always welcome. All customers renting watercraft at any of our three locations will receive a free safety and instructional orientation that meets all of the Commonwealth of Virginia requirements. All of our watercraft and equipment are thoroughly inspected and maintained inside and out to ensure a safe and pleasurable time on Smith Mountain Lake. Each of our locations also has a friendly and well-trained staff available for individual assistance as needed. At our Bridgewater Marina location, we also offer 24/7 pay-at-the-pump Shell gasoline for your convenience. Call us today at 1-800-729-1639 to make a reservation at any of our three convenient locations. We are open year-round, seven days a week.
